Dog Listening Weekend

Sydney 15th – 17th March 2019

Hi, thanks for your interest in the Dog Listening Classes which will take place this coming March 16-18 at the Blacktown Kennel & Training Club, 20 Owen St, Glendenning NSW 2761.

Below is a bit more information about the classes. I have also attached the registration form for you to complete and return should you wish to attend.

I am a Certified Amichien Dog Listener (JFIDL), and run Puppy & Adult Dog Education classes in Australia and Europe. I also run Foundation & Advanced Courses all over the world as well as doing in-home behavioural consultations for dog owners across the planet. This special weekend program will help attendees really get the relationship they want with their dogs.

The aim of these classes is to help dog owners understand and solve their dog's behavioural issues. The method I use is a holistic one in that it recognises the dog's instinct and teaches owners how to work with their dog's nature to help overcome 'bad' behaviours. I cover a broad range of behavioural issues including dogs that pull on lead, aggression, separation anxiety, nuisance barking and much more. The method I use doesn't involve force, intimidation or physical dominance.

The first class will be held on Friday 15th March starting at 6.00pm. Dogs don't attend this session as information is shared that requires people to be away from their dogs in order to start practising correctly once they return home. The second and third sessions (with dogs) start at 10.00am on the next 2 days. The cost is \$199 per person (with one dog) and \$299 per 'pack/family' (2 people + 2 dogs) and includes a free lifetime support service so that if at any time you need my advice you can call or email and I can guide you through it. I like to keep the classes small to allow for optimal learning and to keep stress levels low for the dogs.

If you feel that your dog may not cope too well being around other dogs, then it is not necessary to bring your dog to the classes at all. The information provided is aimed at educating the owner and you will easily be able to apply the exercises in the comfort and safety of your own home. I leave that up to owners to decide.

10% of all proceeds will go directly to local dog charities too, helping dogs to be rescued, rehabilitated and rehomed. If you need any more information please get in contact via email me at tony.amichien@gmail.com.

Details for payment are outlined in the Registration Form. I look forward to meeting you very soon.

Best regards,
